CHRISTIAN SCIENCE CHURCHES
"Substance" is the subject of the Lesson-Sermon, Sunday, September 13, in all Churches of Christ, Scientist, branches of The Mother Church, The First Church of Christ, Scientist, in Boston, Mass.
Among the Bible selections in the Lesson-Sermon are the following proverbs: "Doth not wisdom cry? and understanding put forth her voice? . . . Unto you, O men, I call; and my voice is to the sons of man. . . . Receive my instruction, and not silver; and knowledge rather than choice gold. For wisdom is better than rubies; and all the things that may be desired are not to be compared to it. . . . Counsel is mine, and sound wisdom: I am understanding; I have strength. . . . Riches and honour are with me; yea, durable riches and righteousness. . . . I lead in the way of righteousness, in the midst of the paths of judgment: that I may cause those that love me to inherit substance; and I will fill all their treasures."
A correlative statement by Mary Baker Eddy, from "Science and Health with Key to the Scriptures," says: "All substance, intelligence, wisdom, being, immortality, cause, and effect, belong to God. These are His attributes, the eternal manifestations of the infinite divine Principle, Love."

Christian Church Plans Its Home-Coming Festival

Rev. W. T. Adams, a Former Pastor, Will Speak Next Sunday

Next Sunday, September 13, the Torrance Christian church will conduct a Home-Coming festival at their present home, Engracia at Arlington, with Rev. W. T. Adams, former pastor of the church, in charge.

The day will be marked by many significant events. Beginning at 9:30 a. m. there will be a rallying attendance in the Sunday school. The class having the largest attendance, based on enrollment, will be privileged to have its picture taken and sent to the "Front Rank" for publication. Three prizes will be awarded: First prize, the oldest person present; second prize, the youngest person present; third prize, the person bringing the largest automobile load. The load, however, must be made up of new pupils, those who are eligible to enroll in the school.

The Home-Coming service will begin at 10:50 a. m. Rev. Adams will bring the home-coming message. A roll call of the charter members of the church will be made. At the noon hour, an old-fashioned basket dinner will be served in the social hall of the church. Members and friends of the church and school are cordially invited to bring their baskets and enjoy the fellowship at the tables. Following the dinner lay-members will indulge in a few personal reminiscences. No afternoon meeting.

PASADENA VICAR TO COME HERE SUNDAY
On Sunday, September 13, Rev. Mr. Yates of Pasadena will be present at Christ Episcopal church to celebrate the holy communion. Rev. Benjamin J. Darnelle, who has been coming from Los Angeles for this service, has been transferred to Orange.

Envied—These Two

A small wonder these Washington, D. C. sisters, Ethel (left) and Louise Marche, were the envy of most of the fair passengers on the Panama Mail liner Venezuela when the ship sailed from San Francisco Saturday. For each wore a rare Hopi-Indian jacket of exotic pattern, reward of a Hopi Indian chief when the girls rescued his infant daughter in the Arizona desert.

Prosperity will never run into us unawares. When it comes back it will be because we have reached out and pulled it into the doors of our own individual establishments.

"If more of us would definitely make up our minds that, in order to bring back the great prize of business prosperity, we simply have got to do better than we ever did in our lives, and would set out with this sales activity in our minds to the exclusion of any other, we would have just exactly what we aimed for, the prize of prosperity," Penney declares.
